The parties apparently have engaged in some prior discussions, and, during the conference, took part in additional and productive talks regarding possible settlement over the course of approximately two and one-half hours. However, while those discussions were underway, the video connection with Dr. Steffans was lost.

Consequently, the undersigned recessed the conference and instructed the parties to continue their discussions privately and to advise the Court within thirty days of the status of those discussions. This Order memorializes that handling for the benefit of the parties and the record.

**IT IS THEREFORE ORDERED THAT:**

(1) The Judicial Settlement Conference that commenced on August 19, 2021 is **RECESSED**.

(2) The parties are **DIRECTED**:

- a. To continue to confer, in good faith, regarding the potential resolution of this matter, and

b. To file, on or before Monday, September 20, 2021, a joint Notice advising of the status of their discussions, including whether they have reached an agreement, request an additional conference with the undersigned to discuss settlement, or request that the settlement conference be declared an impasse and that the litigation proceed in the ordinary course.
